NOTICE OF APPLICATION FOR LIVESTOCK FEEDLOT PERMIT

Notice is hereby given per Minnesota Statutes, Chapter 116, that Grandview Farms Inc, will be applying to the Minnesota Pollution Control Agency and the county of Lyon for a permit to construct or expand a feedlot with a capacity of 500 animal units or more. The existing feedlot is located in the SE 1/4 of section 5, Grandview Township, Lyon CO. The facility consists of 1 total confinement buildings capable of holding 60,000 turkeys under 5 pounds (300 animal units) and 6 total confinement building capable of holding 165,000 turkeys over 5 lbs. (2,970 animal units), for a total of 3,270 animal units. The litter generated at the feedlot is currently stored in manure packs within the total confinement barns, 60 ft x 80 ft Manure-Litter Compost Building, and in temporary stockpiles off site.

The proposed construction will consist of 128ft x 76ft addition to the existing brooder barn to better accommodate current brooder stock. There will be no additional animal units added to the site as part of the proposed construction.

The feedlot is owned by Jeff Buysse, Brian Buysse, and Kevin Buysse.

This publication shall constitute as notice to each resident and each owner of real property within 5,000 feet of the perimeter of the proposed feedlot as required by Minnesota State Law.
