

# THANK YOU!

The Yellow Medicine County Fair Board would like to extend our heartfelt gratitude to the community for your incredible support during the 2025 Yellow Medicine County Fair. Each year, our board puts in countless hours of planning and preparation, but it is truly the community that makes the fair possible.

A special thank you goes to our volunteers. Without your dedication and hard work, the many events, activities, and daily operations simply could not happen. Your willingness to step in and lend a hand is what keeps our fair strong and welcoming.

We would also like to sincerely thank our sponsors. With your generous contributions, we were able to offer more activities, provide additional entertainment, and create a more enjoyable experience for all who attended. Your support helps us continue to grow and improve our fair each year.

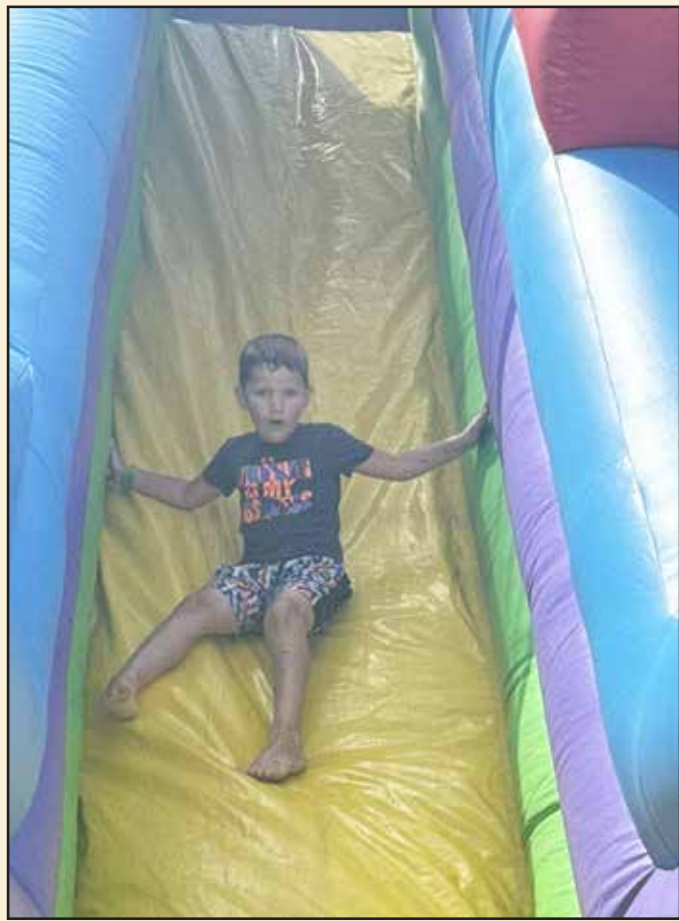

Most of all, thank you to the people of our community who came out to enjoy the fair, brought your families, supported our vendors, and cheered on the events. It is your presence and enthusiasm that make the Yellow Medicine County Fair such a cherished tradition.
