

LEGAL NOTICE

The Yellow Medicine County Highway Department will be coordinating the application of dust control for residents living along gravel roads in Yellow Medicine County. The cost of liquid calcium chloride and application will be \$1.00 per running foot of roadway treated, with an application width of 18 feet, prepaid. Prior to application, the resident must place white flags on each end of the area to be treated. All existing oil coated materials must be removed and new gravel replaced, if needed. On County roads, this will be done by the County Highway Department. On Township roads, this must be arranged for between the resident and the Township Board. This dust control application service is not available for non-public roadway areas.

All applications, accompanied by payment, must be received by the County Highway Department office by May 1st, 2023. For an application form, contact the Yellow Medicine County Highway Department, 1320 13th Street, Granite Falls, Minnesota, 56241, or call our office at (320) 313-3000.

Due to the variable nature of weather conditions, Yellow Medicine County does not guarantee the effectiveness of the application.

Dan Moravetz
County Highway Engineer
