LEGAL NOTICE

TO RESIDENTS OF WERGELAND TOWNSHIP

Notices are being sent to all landowners, renters, or occupants who farm or live in Wergeland Township.

There is a serious problem with trees growing in our township right of ways. Below is a resolution that was presented to the voters of Wergeland Township in 2022. This resolution was supported and passed by the voters. It states that it is the landowners, renters or occupants' responsibility to keep the ditches clear of all obstructions.

Keeping our ditches clear of trees will help in the winter for snow removal and especially to help keep costs down. Trees in our ditches act as snow fences and trap the snow on the roads. Please do your part and remove any trees that are in the township right of ways. If trees are not removed by the landowner, renter or occupant the cost of the removal will be assessed onto the owner's taxes.

Thanks for your cooperation in this matter,
Wergeland Township
